YP Programs

YP Learns

YouthPlaces offers academic programming such as homework help, book clubs, and project-based learning opportunities for middle school and high school youth focused on STEAM (science, technology, engineering, arts, and math). Youth enrolled in academic enrichment are encouraged to attend programming at least three days a week to take full advantage of academic offerings.

YP Leads

A leadership and mentoring component that encourages youth to take action in their communities and find their voice. Youth will participate in a Youth Council to help plan community service projects.

YP Futures

YP believes that every student should have access to higher education. We provide a variety of opportunities to youth including: annual college fair and tours, visits from college admission officers, community workshops on SAT's, college applications, scholarships, and financial aid, and one-on-one support for families.

YP Plays

YouthPlaces has a long history of providing a variety of sports and recreation options throughout the year. Leagues may be categorized into high school, middle school, male, female, and co-ed. Offerings include basketball, flag football, soccer, rugby, volleyball, and other leagues as available throughout the year. Open recreation, dance teams, and other specialized recreation may vary site by site.

YP 1st Jobs

YP 1st Jobs initiative is job readiness program for young adults preparing them for employment, connecting them to their first job experience, and working on career goals.

Parent and Family Engagement

Throughout the year, YouthPlaces also offers a variety of parent and family activities and opportunities such as: open houses, family nights and holiday dinners, college readiness workshops, workforce development, and monthly newsletters to provide program information and additional resources.
